Nicosia, 2nd December 2013

Mr. Joseph S. BLATTER,
President
FIFA
ZURICH-Switzerland.

Mr. President,

I would like to inform you that we have held a meeting on 29th November with the participation of all of the 42 clubs which form the general assembly of the Cyprus Turkish Football Association regarding the meeting that was held in Zurich, the provisional arrangement that was signed by the Cyprus Turkish Football Association, and the way forward in the upcoming process.

The football clubs which are affiliated with the Cyprus Turkish Football Association have unanimously expressed their full support for the steps taken thus far, as well as their joy and excitement for the prospect of being able to play football at the level of the whole island and at international level.

As the President of the Cyprus Turkish Football Association, I would like to thank you, once again, on behalf of my clubs, for your contributions to bringing us to this point.

Mr. President,

As you mentioned during our meeting in Zurich, we have a lot of homework to do. It is evident that the process towards clarifying the points directly concerning our Association and which are disconcerting due to their lack of precision will be a very difficult one. But as I mentioned during our meeting, we are determined to resolve this issue and to work hard towards this end. Our efforts will continue until our football teams get the opportunity to play football and to end our isolation.

Mr. President,

Through your leadership, I fully believe that this issue will be resolved with the good will of both sides. I would like to inform you that, as previously agreed, we are prepared to establish our team of 4 members for the Steering Committee envisaged in the provisional arrangement to do our homework and to complete that document. Please accept my sincerest respects.

Hasan SERTOĞLU
President
